

# SOCIAL SPY

IF IT'S ONLINE, WE'LL FIND IT

## SOCIAL SPY WILL PERFORM THE FOLLOWING:

- > Documentation and preservation of ALL online content
- > In depth analysis of all content and how it relates to the case
- > Complimentary real time monitoring of all sites for 60 days
- > Ability to authenticate originality with the collection and preservation of Metadata
- > Provide initial report and updates

## HOW DO WE DO IT?

- > Full time in house analysts dedicated to finding subjects and their online presence
- > Proprietary APEX search methodology to find subjects who do not want to be found
- > A typical search takes a trained analyst 4-5 hours

## BENEFITS

- > Track subject's self-reported online activity
- > Ability to identify where a subject will be at a specific date and time
- > Increase the probability of obtaining quality video

## DEFENSE SOLUTION

- > Putting an end to the "good day" defense
- > Establish patterns of activity
- > Identify subjects who are malingering and exaggerating injuries
- > Litigations & claims defense solution
- > Powerful legal defense tool

## EXPOSE

- > Uncover events which occurred prior to the DOI/DOL
- > Analyze changes in activity patterns
- > Identify subject's intent to deceive
