

# SURVEILLANCE INVESTIGATIONS

Effective investigations start with communication and at APEX, communication never stops. Our surveillance investigators continually stay in contact with in-office and support staff to ensure that all investigative needs are met. When you allow APEX to handle your surveillance needs, you can expect that our investigators have the experience, training, and excellent communication skills necessary to conduct a superior investigation.

**Standard surveillance investigation services include:**

- Preliminary background report
- Daily case updates
- Access to CaseLink, giving you the ability to view case materials 24/7
- 14-day turnaround
- 24-hour rush case handling, when needed
- GPS-tracked investigators
- Nationwide coverage
- Our commitment to quality, including clear, steady video in 4K
- Detailed investigation report with pertinent Files attached with download links

**In addition to standard surveillance investigations, our investigators can also assist with:**

- Activity checks
- Alive and well checks
- Court appearances, when needed
